- All teachers make a general welfare call to each child in their class once a week and complete the parent teacher communication tracker for their class.
- Parents of children not responding to seesaw need to be called to find out what the barriers are (this will result in a phone call each day the child is not logged on). Teachers to work with parents to find solutions. E.g. loan of laptops, etc.
- We are aiming for all children to be able access learning ONLINE so there should be no requirement for paper based resources.
- The expectation regarding completing work on seesaw is that all children will complete at least one piece of work on a daily basis as a starting point. Staff, in their communications, to positively encourage more.
- Only safeguarding concerns will need to be recorded on CPOMS by teachers.
